Dear Friends:

Re: Deep Appreciation for Your Gift for Our School!

Greetings to you! I hope that Spring has sprung in your area! Here the nights are growing chilly – winter is coming on.... But working hard for the fundraising keeps me warm, as well as your generous support of the school!

The Wisconsin Jesuit Province office has notified me of your recent gift of \$200.00 to assist in the establishment of Loyola Jesuit Secondary School (LJSS).

Please know of our deep appreciation for this help. It comes at a time of great need – getting ready to open LJSS in a short time. Your gift is indeed a wonderful encouragement at this time.

We are moving forward in the construction process, as the enclosed photos show! Furniture is locally manufactured and soon trees and flowers will be planted.

With God's help, we will enrol Form One (Grade Nine) in September 2014. There is real excitement in the Kasungu area, as people realise that LJSS can mean a lot not only to the young women and men who attend our school but also to the future of Malawi itself. We emphasise that students should come to learn not just to make a *living* but to make a *difference!*

You are part of that influence on the youth through your support and for that we all are very grateful. If I can let you know of anything about our school, please do let me know.

**Could I ask you to please share this good news about LJSS with others who might like to join in our efforts? Our website – [www.loyola-malawi.org](http://www.loyola-malawi.org) – with recent blogs tells of the tasks ahead and how we are progressing.**

Every best wish and blessing to you, Friends, with deep appreciation.

Sincerely,

*Peter Henriot, S.J.*

As the September 2014 enrolment date draws near, we still have much to do. Please help us welcome our learning community in good style!

Your thoughts, prayers, and contributions will help us open successfully! Thank you!
