Nova Catholic Community

Dear NOVA Catholic Community Members,

On behalf of the Dream Project Board of Directors, I would like to thank you for your generous contribution of **\$800** to our organization. Donors like you make the dream of higher education a reality for so many of the students that we serve. Our expanding work could not be done without your commitment to our mission!

This past year the Dream Project awarded 48 scholarships to students who come from many corners of the globe and have now called the state of Virginia their home. Many of these students went through our mentoring program to prepare themselves for the college experience. We are proud to say that this year there are over 15 new high school seniors in this program, which brings to life the college preparation obstacles and provides support to students and families as they embark on the journey of applying to colleges.

The Dream Project strives to bridge together our most underserved students and community members to invest in the future of our students. We look forward to engaging you as we make this investment in the future of our youth, their families, and the future of our community!

Please note that the Dream Project is a recognized IRS Tax- Exempt 501 C 3 organization. This letter will serve as your receipt for tax purposes and certifies that no goods or services were exchanged for this donation.

We will do our best to keep you up to date on the new and exciting events that the Dream Project will host this year and hope that you join us in our mission to make the achievement of higher education a reality for those most in need!

My sincerest thanks,

Dr. Emma Violand-Sanchez
