Dear Cathy

Please express our sincere appreciation to the NOVA Community of Arlington, Virginia for their recent gift of \$500.00 toward a 2015 pledge of \$1,500 to Crossroads-Connection. Crossroads-Connection is a Christian community service organization and chartered club of Heritage Hunt, Gainesville, Virginia, supporting those in need.

The focus of Crossroads-Connection is a Weekend Food Program that provides food for children who suffer from hunger over the weekends at home due to poverty or neglect. The program currently serves 32 children at Mountain View Elementary School and Tyler Elementary School in Haymarket and PACE West School in Gainesville.

NOVA's gift will be applied to the 2015-2016 school year ensuring food for 6 children who would otherwise go hungry over the weekends. This is a wonderful blessing and we are truly grateful!

Crossroads-Connection is a 501c(3) charity in partnership with Riverside Presbyterian Church, 46040 Center Oak Plaza #130, Sterling, VA 20166.

Sincerely,

David R. Gifford
