

Answer the violence with skills for peace.

Teach peace at an early age and practice it at every age.

Greetings of Peace:

Jerry and I have been reflecting on the many ways we experience the Risen Jesus and hope. The Nova Catholic Community is an Easter People - you give us Hope .

We received in the mail your check for our Peace Education ministry. Your generous support has put us in awe. We sing together: Awesome God, Holy One, Provider, Peacemaker...

Thank you for your incredible support, partnership and spirit you have all been giving to Little Friends For Peace. This a real boost in helping us move forward on this call of building a culture of Peace.

Each day as we work in the shelters, schools, after school programs, Peace Academy classes and peace workshops for all ages both here in the states and abroad . It has been life changing to hear folks share their peace and un peace and to hear their longing for tools, strategies to Live Peace and Teach Peace through their daily life.

NOVA Catholic Community- because of you we have been able to

- Lay out and print our new book, Live Peace, Teach Peace: Best Practices and Tools - available to order on our web page www.lffp.org
- Pilot a Peace Program at Drew Model School in Arlington
- Offer a Peace Club at Buckingham Community Center in Arlington along with some Peaceful Parenting Sessions.

Looking ahead to the summer, we hope to

- offer a peace enrichment program at Buckingham Community Center.
- Pilot a Peace Program at another school in Arlington
- Give workshops on our new book along with classes at our Peace Academy.

Thank you for being the change we want to see in the world - experiencing peace, learning its skills and practicing them. We want to be your extension and instrument to interrupt the violence with skills for Peace .

We want to be about relationship building and 'bucket filling'. With your support, prayers and team we will make it happen.

You are all welcome to join any of the above - go to our web site for times and locations .

Our book is the best overview of how we help one another create peace within our lives.

We give thanks for all you have done and continue to doing. You are Easter People, you are Peacemakers.

Peace and Gratitude, MJ and Jerry Park
