Dear Cathy and the NOVA Community:

It is certainly a joyful moment for me to write this letter of thanks to you and the NOVA Community of Arlington, Virginia for this third gift of \$500.00 fulfilling a 2015 pledge of \$1,500 to Crossroads-Connection.

This school year Crossroads-Connection is providing nutritional food to 40 children who suffer from hunger over the weekends at home due to poverty or neglect. The program currently serves children at Mountain View Elementary School, Tyler Elementary School, PACE West School, and Bull Run Middle School, all in the Haymarket and Gainesville area. In its entirety your gift ensures food for 6 of these children who would otherwise go hungry over the weekends. NOVA's continued support is a true blessing and greatly appreciated.

Crossroads-Connection is a Christian community service organization and chartered club of Heritage Hunt, Gainesville, Virginia, and a 501c(3) charity in partnership with Riverside Presbyterian Church, 46040 Center Oak Plaza #130, Sterling, VA 20166.

Sincerely,

David R. Gifford
