Closing Remarks and Song

"How Can I Keep from Singing" (tradit.)

My life flows on in endless song above earth's lamentation. I hear the real though far off hymn that hails a new creation.

Refrain: No storm can shake my inmost calm
While to that rock I'm clinging.
Since love is lord of heaven and earth,
How can I keep from singing?

Through all the tumult and the strife, I hear the music ringing. It sounds and echoes in my soul; how can I keep from singing?

What though the tempest 'round me roar, I hear the truth, it liveth; What though the darkness 'round me close, songs in the night it giveth.

NOVA's community life is one of voluntary service.
Many hands have made this celebration possible. It took planning, cooking, setting up, cleaning up, ironing, more planning, buying supplies, more planning, borrowing items, creating programs/slide show/displays/signs/, arranging flowers, preparing entertainment, calling/emailing, meetings, finding photos, thoughtful responses to survey questions, creating new squares for NOVA panels, assembling the panels, many NOVAtones music practices.... Thanks to all who did these things and made this celebration possible, especially:
