15 February 2015

Greetings with many best wishes as our New Year of 2015 opens up for us!

September 2015 will be, God willing, the big date for enrolment of 144 young women and men in Grade Nine. There is already excitement around as we draw near to that date. It appears that LJSS will be a sign of hope in a country where good education is not widely available. We can't do all we would like to do for all the young Malawians so desirous of good education – but with your help we can at least reach some and make a difference in their lives *and in the lives of their country*.

Please take a look at the photos enclosed here and imagine how we use your donation!

Could I ask you to please share this good news about the LJSS that you are part of with others who might like to join in our efforts? Our website – www.loyola-malawi.org – tells of the future tasks and explains how friends can assist us.

In the months ahead, our team will keep you informed of our progress and hopes. Fr. Simon Makuru, S.J., Head Teacher, and Fr. Alojz Podgrajsek, S.J., Project Manager, join me in expressing gratitude for your assistance.

Thank you, and know of every best wish and blessing for you and for those close to you!

Sincerely,

Peter J. Henriot, S.J.
Director of Development
