Dear NOVA Catholic Community,

"I am grateful for the long journey they [Just Neighbors] took with me in the past five years I spent in the United States. I wish that Just Neighbors continues to grow and continues to provide more assistance for people who are new to the United States." – Mohamed 2021

Despite the challenges that have come with Covid-19, Just Neighbors will be able to continue serving clients thanks to your support. On behalf of the immigrants and refugees we serve we want to say thank you **once again** for being **just** neighbors.

NOVA Catholic Community's generous gift of \$1,500 made on 1/25/2022 will go towards covering client filing fees. This will make it possible for families to be able to successfully file applications for legal status here in the U.S. This pandemic has made it clear how important it is for all of us to have a safety net. Your generosity makes it possible for neighbors like Mohamed to build their own safety net and access better work and education opportunities.

Just Neighbors uses your donation in combination with the hard work of volunteers. We frequently share our success stories and updates on Facebook @justneighborsdmv and Instagram @JustNeighborsDMV but if you would like to learn more about the work of Just Neighbors, please feel free to contact me at (703) 979-1240.

Mohamed and his attorney Sarah on the day he received his green card.

Thank you again for your commitment to our immigrant and refugee neighbors!

Sincerely,

Erin McKenney
Executive Director

*Joe & Nova Catholic Community;
For so many of our clients, the ability to pay the filing fees is the most significant barrier to a new life. Thank you for making a real difference and giving hope.*

*Blessings,
Erin*
