and Practice it at Every Age*

Dear NOVA Catholic Community :

We got the wonderful news that you all have voted to be Peace Partners with Little Friends For Peace and to support our work and ministry. We are honored, moved and feel the Holy Spirit pouring down .

It has been quite a journey and through it our hearts have been touched getting to know some of you NOVA members. You are Easter People - living the gospel and bringing alot of energy, spirit, passion and love to the call of building the Beloved Community .

Thank you for inviting us to work together to help build a culture of Peace. As you know, we feel very strong that in order to have Peace we have to start from within and we have to build new Peace Tool Boxes . Alone we can do something but together we can do great things. With you all working with us, supporting our mission and work we can make a difference, have an impact and move the mission along.

We look forward to meeting with you and finding ways to plant and nurture seeds of peace in the schools, homes and community.

Thank you again for this incredible outpouring of support and partnership. We are moved in many ways and feel the gift of the Beloved Community.

There is no way to Peace, Peace is the way .

Peace on the journey,

MJ and Jerry Park
